RE: Changes to Plan: Monthly Proof of Premiums for Claims Payment
(Plan Amendment No. 17)

DATE: November 7, 2022

This Summary of Material Modifications contains important information about your rights and benefits under the Medical Expense Reimbursement Plan (“Plan”) of the Southern California Public Safety Retiree Medical Trust (“Trust”). Please file it with your important documents.

A. Documentation Needed Monthly: Proof of Payment of Premium. As you are likely aware, the Trust Office is now collecting documentation of Eligible Retirees’ premiums monthly – prior to reimbursement of each monthly premium. Clarification from the IRS on the premium documentation requirements indicates that the Plan can collect proof of your payment of premiums for each month and collect the other documentation annually, provided your proof of payment shows payment of the same premium amount as claimed on your annual claim form. You need to submit monthly documentation showing proof of payment of the premium by a Beneficiary of the Plan and the amount must match your prior submitted claim form. This proof could be a cancelled check, a bank statement or credit card statement showing payment of the premium, or a pension statement showing deduction of premiums. There may be other forms of proof that are acceptable – contact the Trust Office to inquire.

B. Documentation Needed Annually: Third-Party Insurance Documentation and Claim Form. The annual claim form will advise the Trust Office of the premium amount that you will be paying for the upcoming year, and the amount that you are claiming for reimbursement from the Plan for those monthly premiums. **The letter from the Trust Office requesting the annual claim form and insurance documentation for 2023 insurance premium reimbursement is enclosed with this Notice.** If you have a change in premium amount before the next annual collection date (e.g., due to eligibility for Medicare or adding/deleting a family member to/from your

policy), then you need to submit a new claim form to the Trust Office. Along with the annual claim form, you will need to submit documentation prepared by a third party showing the type of insurance coverage, coverage period, and premium amount. This annual process is the same as in the past, and the third-party insurance documentation is no longer required to be provided monthly. You only need to submit proof of payment of your premium monthly.

C. Option to Batch Your Proof of Premium Payment Submissions and Receive Premium Reimbursement for More than One Month. You can also submit proof of premium payments in batches, such as quarterly or annually, but your reimbursement payment will be paid on the same frequency. We cannot pay your claim for reimbursement of a monthly premium until we receive proof of payment of that month's premium. In batching your claims, please note the annual claim deadline, which is April 30th for all Covered Expenses paid in the prior plan year (February 1st through January 31st).¹
